GO READ AND GO READ COMPACT.

A stylish angle adjustable copy holder which can be well placed between the keyboard and monitor to help reduce awkward neck and eye movements, thus promoting better health.

The 7 levels of adjustment ensure that the user can obtain a position so suit them. Each of the Go Read angles is locked in position, but can be easily adjusted if required.

Easily supports documents, books and files with its 25mm deep document shelf.

The intelligent and space saving design of the Go Read copy holder allows the user to store the keyboard under the copy holder when not required, this space saving design helps maximise desk space..

7 Angle adjustments: 12° (120mm) - 30° (195mm).

Weight: 1.07Kg.

Sizes:

Standard:

W 540mm, D 300mm, H 120mm (min).
