

SD7000 Dual 4K Surface Pro Docking Station

Part number: K62917EU

UPC code: 8589662917

The ultimate docking solution for Surface Pro has arrived. With the SD7000 Dual 4K Surface Pro Docking Station, users can expand their desktop set-up to include two external monitors, connect to a wired network and favourite USB accessories, and position their Surface Pro to work upright in desktop mode or down in studio mode. Built on Microsoft's proprietary Surface Connect technology, users can connect with confidence for a seamless dock and charge experience that looks as good as it functions with a small desktop footprint and clean lines. Available with an optional integrated lock to secure the Surface Pro, the SD7000 offers best-in-class docking and locking to support the desktop of the future.
