

# Armouring Cables

VivoLink Armouring Cables are designed specifically to protect cables from termites, mice and other adverse conditions. The external armouring can withstand high pressure and protects the cable from damage. Furthermore the cables are humidity-proof, corrosion-proof, and perfect for outdoor installations and applications.

## Armoured HDMI [3m-20m]

- 3-10m supports 4k\*2k@60Hz
- 15-20m supports 1920\*1080P@60Hz
- 99.9% copper conductor
- High quality, gold HDMI A connector 15um min
- Triple shielded cable and extra shielding in the connector
- Supports audio return channel (ARC), 3D, HDCP, CEC
- High flexibility, ensures small bending radius
