

PLASMA-W065BLACK NEWSTAR LCD/LED/PLASMA WALL MOUNT

The PLASMA-W065BLACK is a fixed wall mount for LCD/Plasma screens up to 63" (158 cm). Includes anti-theft lock.

The NewStar LCD/LED/Plasma TV wall mount allows you to mount a LCD, LED or Plasma TV to any wall and secure it with a lock. Cause of the flexible hole pattern of this system is this wall mount useable for almost every TV up to 63 inches.

This wall mount is easily to install by using the VESA hole pattern at the rear side of your TV. This wall mount can be used when the maximum distance between the holes (left to right) is 800 mm. The upper and lower holes allow a maximum distance of 40 mm.

You're also be able to lock your screen with the supplied anti-theft lock. You can easily adjust your personal code by pressing the small pin underneath the lock and choose the code you want to use. If you have forgotten your personal code, please contact our office.

This Plasma TV wall mount is made of aluminium and is mountable to any wall.
