Tagline	Share your music wherever you go
Product Full Name/Title	Simple Audio Go™ Compact Portable Bluetooth Speaker
25-Word Description	Simple Audio Go is wireless and rechargeable, works with almost any Bluetooth-enabled smartphone or tablet, stows easily in a bag or backpack, and delivers surprisingly big sound.
50-Word Description	Simple Audio Go uses advanced Bluetooth 3 technology that's compatible with your iOS or Android-based smartphone or tablet, and includes a built-in rechargeable battery so you can cut the cords and take your music anywhere. You'll get surprisingly big sound, and the built-in microphone means you have a clear, hands-free speakerphone, too.
100-Word Description	<p>Simple Audio Go uses advanced Bluetooth 3 technology that's compatible with your iOS or Android-based smartphone or tablet, and includes a built-in rechargeable battery so you can cut the cords and take your music anywhere. Its compact shape fits easily in your bag or backpack, making it easy to just grab and go. With a separate bass-reinforcing driver and two stereo speakers, you'll get surprisingly big sound, and the built-in microphone and echo-cancelling technology means you have a clear, hands-free speakerphone, too.</p> <p>With Simple Audio Go, it's just you, your friends, and an amazing soundtrack.</p>
