

## Key Features

Playback TV programs with in-store promotion content | Supports HTML5, POPAI, and W3C SMIL for dynamic content | 8GB storage ensures local reliable playback of content | Integrated audio and video output via HDMI | Bundled Signage Manager Software

## Product Description

The ViewSonic NMP580-W network media player delivers reliable and stunning 1080p multimedia playback on large format displays and digital signage solutions. With built-in wireless and RJ45 connectivity, along with bundled Signage Manager software, the NMP580-W allows customized multimedia content to be easily produced, scheduled, and loaded to displays from PCs or notebooks. Integrated 8GB on-board memory, as well as dual USB and micro SD card slots, provide direct playback of high-definition content. The NMP580-W also supports the latest HTML5 and SMIL standards, delivering dynamic and informative messaging to your customers. An embedded “fail-safe” function allows the connected display to continue playback of pre-assigned multimedia content even when the media player is not working. The NMP580-W provides a reliable messaging solution for retail, hospitality, point-of-sale advertising, and education environments.

## CORE

CPU Processor: Rockchip RK3188

## GRAPHIC

Chipset: N/A

## MEMORY

Installed: 8GB

## SOFTWARE

Operating System: Android 4.4 above

## HARD DRIVE DEVICE

Dimension: N/A

Capacity: N/A

Interface: N/A

## COMMUNICATION

Ethernet LAN: Ethernet 10/100  
BASE-T

Wireless: Wi-Fi 802.11b,g,n

## I/O PORTS

USB: TypeA USB 2.0 x3  
Micro USB x1

HDMI Out: x1

HDMI In: x1

RGB output: x1

RJ45: x1

Micro SD: x1

AV Out: N/A

SPDIF: x1

Microphone in: N/A

## DIMENSIONS

### (W X H X D)

Physical (inch/mm): 5.45 x 5.04 x 1.19 /  
138.60 x 128.10 x  
30.20

Packaging (inch/mm): 8.89 x 6.77 x 3.5 /  
226 x 172 x 89

## WEIGHT

Net (lb / kg): 0.8 / 0.366

Gross (lb / kg): 1.83 / 0.830

## WARRANTY

\*\*Warranty offered may differ from market to market

## WHAT'S IN THE BOX?

1. HDMI cable (male to female, 100 cm)
2. External WiFi antenna @2db
3. AC Adapter
4. Power plug x 1 (US/EU/EU/UK)
5. Velcro
6. Hardware Quick Start Guide
7. Software Quick Start Guide
8. Documentation CD
